**Covid:** Obviously, there are going to be some changes this year to deal with the pandemic. We are reducing the number of stalls to ensure we keep social distancing in place. As we go through the year, we will have to make changes to comply with Government guidelines.

**Rubbish:** This must be taken home – nothing can be left on site!

**Vehicles:** Our insurance and safety using the site means we have to prohibit the movement of vehicles without an escort half hour either side of the fayre being open **i.e. no vehicle movement between 10am and 4:30pm**

If you would like a stall at this years' event, then please:

- carefully read the Terms and Conditions
